“But I want you to know that Christ is the head of every man, and the man is the head of the woman, and God is the head of Christ.” -1 Corinthians 11:3

If you've joined us in-person for the past several weeks, you'll notice we begin our services the same way every week: by asking the men of our congregation to gather at the altar, seeking God together in prayer for their families and our church. Simply put, God's Word calls and expects men to be spiritual leaders first in their homes, and second in the church. We believe God's plan for our families centers on men being the husbands, fathers, and leaders that they are called to be. If our families are healthy and following God, our church(es) will be healthy. If our church(es) are healthy, they'll be impacting and influencing our community the way *they are called*. *The bottom line is this: The biblical building blocks of the church are healthy, functioning, family units. That's our desire for FBC.*

So, beginning September 18 at 5:00pm, we'll be launching into a new discipleship system. BetterMan and TrueWoman will seek to challenge and encourage men and women to be the husbands, wives, fathers, and mothers they are called to be in Scripture. These studies will span 10 weeks and cover topics on biblical manhood and womanhood, followed by round table discussions. I can't encourage you enough to make this time a priority. I am personally excited to be involved in BetterMan, and see how God uses these coming weeks to mold my own family into His will.
